3. (S/NF/SK) COMMENTS: No Physical Inclemencies. 052 had some beginning AOL, but, after the last session's post-session discussion about handling this type of AOL, 052 managed to correctly handle it. The AOL drove frustration, a break was taken, and 052 returned to correctly resolve the site. Post-session discussion again reviewed the transcript in light of "expectation AOLs" to illustrate to 052 how they can drive ideograms.

Tucked under winter's shawl, East Orange seems a tintype of another age.

Yet a snomobile cuts in left foreground, ready to startle the horses and end the illusion.
