

SG1J

Fern:

Re. Project 8815 status; here are three session reports, I am waiting for two more summaries (from [redacted])

I still need input from both [redacted] SG1J

Also, I feel that I would be in a much better position to help solve this enigma if Dale provides info about where the photo was taken; I may be able to relate the data to 'in-house' work which we did several years ago.
