DEFENSE INTELLIGENCE AGENCY

TO: Deputy Chief of Staff for Intelligence
HQ, Department of the Army
Washington, D. C. 20310

SUBJECT: SUN STREAK Progress Report (U)

1. C/NF) A meeting of the Military Intelligence Board (MIB) is currently being scheduled for May, and I would like to use that meeting to obtain a status report of the SUN STREAK Program for all MIB members. This would be about the mid-point prior to the August briefing to the MIB on your final results and recommendations. The May status review should focus on the study plan that Army has developed for the project (to include the criteria for evaluating SUN STREAK activities, the key milestones met and stipulated in the program, and management procedures established for program oversight) and a review of results and any tentative conclusions at this mid-point. A 20-minute segment will be set aside for your presentation.

2. (C/NF) I want the MIB to focus particularly on the criteria that have been established for evaluation of the SUN STREAK Program; consequently, it is requested that any existing written materials or briefing papers be made available to the MIB members about a week prior to the meeting. I am sure all the other MIB members will be interested in your in-progress review of SUN STREAK. In the near future, DIA's NFIB-MIB office will be determining the precise date of the May meeting; all members will be informed once the date is selected.
