SGFOIA3

I, Stephen C. Hobson,  ,
NAME

volunteer for INSCOM Project Grill Flame. I understand this program involves training designed to enhance inherent psychic abilities. I consent to this training and willingly volunteer to participate in INSCOM intelligence projects using my psychic abilities. I understand this program deals with mental perceptive abilities beyond the range of the five corporal senses and for this reason an aspect of mental training is involved. I understand that the purpose of this training is to teach me how to discipline my mental perceptive abilities and focus them on data beyond the range of the five corporal senses.

I understand that as a volunteer I may withdraw from the program at any time for any reason. My decision to withdraw from the program will be accepted without controversy.

I understand that for precautionary and screening reasons that I as a GRILL FLAME volunteer must have a Class A physical exam to include a stress EKG prior to beginning training.

NOTE: Physical examination taken within the past 12 months is acceptable.
