a. The nature, duration, purposes, and expected benefits of the program in which I will be participating;

b. The methods and means by which the program is to be conducted; any methods and means that are experimental will be identified as such;

c. The inconveniences, hazards, discomforts, risks or other effects on my health or person which may possibly come from my participation in the program; and

d. The alternative procedures, if any, that might be employed to protect further my health and well-being. I have been given an opportunity to ask questions concerning this project and any such questions have been answered to my full and complete satisfaction. I understand that I may at any time during the course of this project revoke my consent and withdraw from the study without prejudice; however, I may be requested to undergo certain further examinations, if, in the opinion of a qualified physician, such examinations are necessary for my health or well-being.
