E. SESSION SUMMARY:

The document discussed an object that was large and square. This object had something to do with technology however there was something very mechanical about it. The idea or concept was not new however the object may be an upgrade to the old concept. The object had something to do with sending out or emitting out something dark in color. The object was not receiving.

The letter J came to mind and the object could have a foreign like name.

CPYRGHT

Deep is Poland's debt to a well of

góral creativity.

*With his pulse on the unquenchable
góral love for music, master
craftsman Franek Mardula (left)
tunes the back of a violin in progress.
For resonance, he chooses dense wood
from spruce trees that grow slowly in
mountain shadows. Górale songs often
echo a tradition to which the Mardula
clan belongs, that of the "zbójnicy,"
storied mountain brigands who once
preyed on wealthy landowners.*
