Site consisted of a long tall pointed structure. There was land around the structure and the structure seemed isolated. There was a circular object or the feeling of a circle around the tall pointed structure. There was some type of "grinding" motion at the site. Inside the structure, one could walk around and look up and see "pictures"/"moving pictures." Sometimes it can be dark inside the structure. There was a sense of "animals" outside the structure.

With a last-minute adjustment (**left**), a finalist prepares to bid for the championship in the equitation division, a test of classic riding form. High-stepping harness horses

(**below**) circle in the new Kemper Arena, which will be the scene of the Republican National Convention in August 1976.

Breeders from across the United States and Canada bring their prize livestock to the Royal. The exhibitor of the grand champion Polled Hereford accepts congratulations (**lower left**). Yvonne Sharon Roberts, Miss California Charolais (**lower right**), was one of several beauty queens representing various stockbreeder associations.
