SOURCE 025:

----The target is a building of historical significance.

----It is comprised of several floors and is located in the vicinity of an airport.

SOURCE 049:

----The target involves the presence of a large hall in a huge cathedral/temple type atmosphere.

----There is cultural significance attached to the building and its contents - paintings - artifacts - memorabilia (olympics?).

SOURCE 079:

----The target is a structure that apparently was made of marble.

----The structure was partially opened and provided access to water.

----People were present - there was a great deal of motion at the site.

GENERAL SUMMARY:

The target appears to be a structure whose configuration and significance is described differently by the individual sources.
