- E. SESSION SUMMARY:

I felt that I was outside an open area. There was a long and slender apparatus at the site. There was a circular object at the site. Men were with the apparatus. The apparatus could move back and forth. There was motion at the site. The men looked serious about what they were doing. The site seemed enjoyable. I sensed however that what the men were doing could be dangerous sometimes. Colors at the site seemed dark. Colors were black, brown, and dark blue.
