- E. SESSION SUMMARY:

The target is a technical structure with objects to include red buttons, clocks and monitors on the inside. A ketchup bottle, and chairs/seats are at the site. This site is westernized. Horses can be found in the vicinity. This site appears to have historical significance. There is some sort of control station or technical outfit designed with computer operated mechanisms. Five men or personnel who are working at the site are riding or operating something and there is much movement and acitivity in the area.
