- E. SESSION SUMMARY:

The target consists of water and energetics. There is something bright and curved, almost dome shaped, and something round, like a ball. There is also something that moves in a steady flow, downwards, and curved, like rain. The term "paraiso" or paradise came up.

There is a long, large, squared area, with something across the middle of it. This thing in the middle is like a net, that divides the two sides. There is a person on each side. There is some kind of energetics and/or activity going on. It seems to be for enjoyment, possibly a game (AOL: Water polo in a swimming pool, or tennis).
