TASKING SHEET

SOURCE NO: 049

DATE: 29 JAN 93

SUSPENSE: 1 FEB 93

1200 hrs

1.   PROJECT NUMBER: 93-154-P

2.   METHOD/TECHNIQUE: Method of choice.

3.   BACKGROUND: We are beginning a new type of communication proficiency project for a potential customer. It involves the selection of one of the appropriate "squares" on the attached 4X4 matrix.

----This series will involve the use of a beacon person (Mickie). She will select a square randomly and mark it with a large "X".

----Initially, no specific message will be associated with the selection. At a later date, this approach will be adapted for actual message transmission (from a prisoner, hostage etc.)

4.   ESSENTIAL ELEMENTS OF INFORMATION:

----Using the attached unmarked matrix, please "select" and mark the proper square.

5.   COMMENTS:

----Optional Coordinates: 501966/737523.

----Target selection is accomplished on a random basis by a "beacon person" not involved in the project.
