(S/NF/SG/LIMDIS) Following are the perceived highlights from each source. Tasking from your office was: Access and describe target [redacted]

SG1A

- (S/NF/SG/LIMDIS) Source A:

SG1A

-- [redacted] is a Pakistani drug smuggler who is brown eyed with semi-dark skin. He is located around a poor looking brown shed-like house and muddy waterways. Drugs ready for shipment are wrapped in white plastic to be delivered within the next five weeks. He is associated with a man whose last name, interestingly enough is Pedros.

- (S/NF/SG/LIMDIS) Source B:

SG1A

-- Not very much could be acquired on the target [redacted] There is a rather intense spiritual presence surrounding this individual; it feels religiously derived as if said individual is a cleric or has studied to become one in the past.

-- Although there is a sense of religious orientation, this guy does not necessarily feel like a kind person; rather one of extreme emotions and political/religious beliefs.

- (S/NF/SG/LIMDIS) Source C:

-- Target is an individual of Eastern origin. He is currently very busy working on illegal drug trade operations. He is not in a high position. He works for other powerful men. Target personality could have a bad temper. He is seen in a large field with other people monitoring the drugs. He takes orders from others. He is intelligent and he is "sneaky".
