SG1A

[REDACTED] is a suspected latin american drug dealer. He is a medium to small sized man. Although this man is not prone to violence, he carries a knife in a leather sheath to his right hand side. He lives in a house in a semi-tropical region in Central or South America and there are water ways around him. He works as part of a group involving illegal activities wherein he transports drugs over water to other locations to be sold for profit. This man is not powerful, is on the lower end of the spectrum and is considered a go between. He works as a drug dealer traveling over water carrying drugs and has been successful in the recent past. Planes may be utilized in the process and November is an active month for drug related activities.
