1. (S/NF) We are from DIA/PAG-TA. Our program is a caveated program which utilizes a unique intelligence collection methodology. We would like to brief the J2 personnel that are involved in collections and operations and to explore a possible joint work effort. We are currently working with other commands providing assistance in support of their missions.

SG11 2. (S/NF) Our tentative itinerary is to brief JTF-6 in El Paso, Texas on 16 September, JTF-4 in Key West on 19 September and brief SOCOM and CENTCOM on 21 September, if possible. We spoke with [REDACTED] from CENTCOM and mentioned the same time-frame to him. He needs to check with the command and also mentioned that he would await your response.
