DATA SUMMARIES

(S/NF/SG/LIMDIS) Following are the perceived highlights from each source.

- (S/NF/SG/LIMDIS) Source A:

SG1A

-- The target [REDACTED] may be associated with dealing. A female, has a relationship to a man she worked for who has been known in the past for transporting items. There appears to be a hispanic connection possibly from Mexico or South America. She has traveled and other individuals are involved. I see boxes of hard shelled fish around her and sailing in her past. She does not appear to be involved in any current illegal activity of significance.

- (S/NF/SG/LIMDIS) Source B:

-- The only perception about the target is that she is either currently, or has been in the past, a nurse or related medical person. I'm not sensing that this individual is significant to the customer's operation.

- (S/NF/SG/LIMDIS) Source C:

-- No input.
