- E. SUMMARY:

Target personality is currently located in the Las Anod area of Somalia (see map). Target personality plans to travel in a northwesterly direction to the area known as Djibouti (see map).

Target personality is traveling with younger men who are protecting him. Target personality is highly protected by these men. The men immediately surrounding him are dressed like nomads and they are traveling by very "unsophisticated means." The target personality and these men will be in the desert or mountains. They will not go near cities. The reason for this is that they know and understand "desert" warfare.

However, others are protecting the target personality from a distance. These men are using more sophisticated means of transportation and are communicating to target personality by means

of "intercoms."

The system that is being used to protect this man is like a "Command and Control" headquarters.

(German intelligence will help find this man.)

Warlord Mohamed Farrah Aidid  
travels on foot or in a donkey cart.
