SUBJ: ~~SG1J~~ Monthly Activity Report (Sept. 93)

TO: [REDACTED]

(U) During the month of Sept, 93 I engaged in the following activities:

1. (C) Prepared section in a briefing book for Don Mitchell, Staff Member, Senate Select Committee on Intelligence, justifying PAG-TA's R&D program.

2. (C) Attended briefing for Mr. Mitchell to answer any technical questions. Prepared summary memo on briefing for PC, PAG.

3. (C) Prepared a summary for PAG/PA/PC of the key issues from the 36th Parapsychological Association Convention, especially the Russian work on remote mental influence over physical and biological systems.

4. (U) Began an intermediate Russian language course (at my own expense - \$1380). Hopefully, this will enable me to separate the wheat from the chaff in the six cubic feet of untranslated Russian documents provided to us by SAIC.

5. (C/NF) Attended a meeting with Don Henry, Staff Specialist - Tactical Systems, OSD(A), concerning a meeting he went to at the FBI Academy where non-lethal technology was discussed and great interest indicated by the Department of Justice (in light of the Waco, TX incident). Received a copy of his trip report. A number of contacts were identified for us to follow up, especially in light of the fact that the non-lethal area overlaps the behavior modification devices I am currently tracking in the FSU. Suggested appropriate ways of approaching
