1. [redacted] Please pass to the DR and DD. No hurry.

2. DR/DD. Just a small heads-up re the issue PAG raises below.

a. You may recall that we reviewed the program with Dr. Jones at USD(A) request after the briefing to DEPSECDEF and USD(A).

b. The only issue that surfaced at either session was the external fun question, which the DR raised with the DEPSECDEF.

3. PAG will keep us informed as this unfolds.

Joe,

not true

SG1J

1. [redacted] called with a rumor from LA that Dr. Anita Jones, DDR& is very negative on Star Gate and opposes continuation of the program.

a. We agreed that the rumor doesn't ring true, and I Faxed George a copy Mr. Berbrich's Higgins of 4 June summarizing Dr. Jones' professional reaction to the Star Gate briefing.

b. George will attempt to set up a meeting with Dr. Jones this week so can address her questions directly. (She will be out of pocket next week.) will also inform PS.

2. I don't like to pass rumors, but wanted you to know soonest about this sensitive issue.

VR,
