1. As you know, the DR is an avid reader of our our weekly Significant Acti Report (SAR). Such items generally have been accounts of completed actions accomplishments. These are useful not just for the Command Element, but al for us (as you know, we send the SARs to all NMIPC personnel via Hignote an the EBB to keep everyone abreast of their colleagues' activities).

2. The DR is also interested in expanding our submission and receiving SAR items of "any problems/issues/arguments/debates." Please expand your SAR i that are discussed/reviewed at our Wednesday NMIPC Staff Meeting to cover t topics, which will frequently relate to ongoing actions.
