E. **SESSION SUMMARY**

The target is a white medium to large vessel. Men are aboard, some of which are immigrants or foreigners, that are either dark skinned and or wearing dark clothing. The ship has been at some point off the coast of California but is currently moving westward in Pacific waters possibly near the Hawaiian Islands, where there are beautiful sunsets. There are clear liquid plastic containers aboard and some heavy equipment. Some munitions and ammunition can be found for defense purposes aboard ship. The men aboard are watching and observing to perhaps make a connection. The activity is illegal contraband and the transfer of this cargo. Intervention could occur within the next two weeks.
