(U) PREFACE:

(S/NF/SG/LIMDIS) The Special Activity Report is part of on-going taskings in response to a request from Joint Task Force Five (JTF-5) in Alameda, California. The data provided in this report will be used by the J22 division in their assessment effort regarding their counterdrug mission. The information provided in this report was generated by PAG-TA employing remote viewing (RV) methodologies.

(S/NF/SG/LIMDIS) ^{SG1A} The data provided in this report concentrated on [REDACTED]. The results were forwarded to JTF-5 by secure fax on 19 July 1994. The JTF-5 evaluation feedback is at Appendix B.

(S/NF/SG/LIMDIS) The methodology used in this activity is exploratory. Results should not be considered as stand-alone; but used or evaluated in conjunction with other proven data sources (HUMINT, SIGINT, IMAGERY, OPEN SOURCE, and/or MASINT). Generic data (e.g., general shapes) are more reliable than specific data (e.g. dimensions, names).

DATA SUMMARIES

(S/NF/SG/LIMDIS) Following are the perceived highlights from each source.

- (S/NF/SG/LIMDIS) Source A: SG1A

-- The target [REDACTED] may be caught in a severe lightning storm and go down in route before August. Some type of radio communications and perhaps a helicopter may be on the scene. The target is located near coastal waters and beach area. The target is associated with a dark skinned man with corn rows or braids and a slight accent. This individual has been involved in illegal dealings for money. A vision of "packed ice" or ice cubes in a storage container came to mind which could be a means of concealing goods.

- (S/NF/SG/LIMDIS) Source B:

-- No input.

- (S/NF/SG/LIMDIS) Source C:

-- Target involves a mature older man and a scenario. The individual has dark hair and keeps information close-hold. He may be in the military or work for a military association. He may have a background in psychology. He can be considered intelligent. He is in touch with a younger individual who helps him.

-- Target individual has dark hair and is physically strong. He is married.

-- It seems as though he may come into a struggle in the very near future. He is a leader but his outcome may not be real good.
