(U) PREFACE:

(S/NF/SG/LIMDIS) The Special Activity Report is part of on-going taskings in response to a request from Joint Task Force Five (JTF-5) in Alameda, California. The data provided in this report will be used by the J22 division in their assessment effort regarding their counterdrug mission. The information provided in this report was generated by PAG-TA employing remote viewing (RV) methodologies.

(S/NF/SG/LIMDIS) <sup>SG1A</sup> The data provided in this report concentrated on [REDACTED]. The results were forwarded to JTF-5 by secure fax on 19 July 1994. The JTF-5 evaluation feedback is at Appendix B.

(S/NF/SG/LIMDIS) The methodology used in this activity is exploratory. Results should not be considered as stand-alone; but used or evaluated in conjunction with other proven data sources (HUMINT, SIGINT, IMAGERY, OPEN SOURCE, and/or MASINT). Generic data (e.g., general shapes) are more reliable than specific data (e.g. dimensions, names).

DATA SUMMARIES

(S/NF/SG/LIMDIS) Following are the perceived highlights from each source.

- (S/NF/SG/LIMDIS) Source A: SG1A

-- The target [REDACTED] is Islamic based on his name and he takes religion seriously. He is in direct communication with or a member of an organization which is known for illegal dealings. He is dark, of medium frame and has been involved in smuggling in the past. He prides himself an independent operator, but his role is really only one of a middle man who does not make all the decisions. He works for at least two other men who are part of a group or small illegal organization that are more powerful than himself. [REDACTED] is strong and not limited on the extent he will go to unlawfully in order to carry out a job. He is currently unarmed and has been involved in trafficking.

- (S/NF/SG/LIMDIS) Source B:

-- The target individual is tall with a fair complexion. He is well educated and has been associated with the then Soviets in the past. He is very manipulative and coerces others continually. He is also bad tempered and extremely sure of himself.

-- He was either trained by the Soviets or has an expert understanding of a type of Soviet technology. I see him associated with water and electrical devices.

-- He is interested in or associated with small round and square objects which are wrapped with a frosted material like heavy waxed paper.

-- He is either also interested or has had training in "high strength/light weight material; also rolls of a charcoal colored fabric or flexible material.

-- I sense that he is from an "ocean-side" kingdom or former monarchy.

- (S/NF/SG/LIMDIS) Source C:

-- Target is a personality who could be Middle-Eastern in heritage. Target personality can be considered a successful man with a good education behind him. Target personality travels a lot. This is due to his job. Target personality works in the line of communications. Target personality has many secrets and his work may be considered secretive. He is a quiet man who reads a lot. There are many people around him who could be protecting him. I don't see a family around him. He can be considered a leader.
