SUMMARY OF INFORMATION

Individual seems to be in a series of meetings and is about to come out and say something public. It seems however, that the individual is blocked by getting what he or she wants. There are many individuals involved in the meeting and one of them is an older woman.

News media seems to be covering the event and it seems that someone involved is being very demanding on what he or she wants.

*Individual seemed to be successful
at one time and may not be so
popular time.*
