TO: DT

1. (U) Task 91-2 is Operational Project 91008 conducted against Target Number 2.

2. (S/NF) The target personality is a middle-aged appearing, political leader geographically located in a Middle Eastern or Indian type environment. He is a dark complected individual who oftentimes wears a distinctive, white/grey beard. He is currently preoccupied with political oratory initiated to explain/justify a political position of moderate foreign policy interest to the US. The target personality's country of origin is located in the near vicinity of an extensive body of water that appears characteristically stagnant/brackish. The presence of a younger female, possibly the spouse of the target personality is inferred.
