TO: RSQ-4 [REDACTED]

1. This memo is in response to our telephone conversation of 20 April 1992 in regard to the follow-on effort to MDA-908-91-C-0037.
2. There are two SOW items in PR #330/025Z/92 that require contractor support as soon as possible. These are items 6.1.1.1 (new biophysical measurement correlates) and 6.5.2 (research methodology/conference contacts, sponsorship).
3. One of these items (6.5.2) is of high interest to the office of the Under Secretary of Defense for Policy (Mr. Wolfowitz). Our tight schedule requirements have resulted from his request to set up visits and conferences on a specialized contract topic as soon as possible.
4. Consequently, we request this follow-on effort be implemented by 1 June 1992 so that these time sensitive SOW items can be initiated as soon as possible.

Chief, ODT-S
