Evaluator's Estimate :
- E. SESSION SUMMARY:

The target has a rounded shape with something protruding out of the side. This thing that protrudes seems to be an important part of the target. It is a curved "nudge" that I am continuously drawn to. There is a rounded thing with a reddish/blue color. There is something shiny and metallic. There is activity associated with this target. The target is located in a wide, flat, open area. (Possibly Colombia, South America.)

There are a series of constant contrasts: There is something curved next to something flat; there is something large and other things are small in relation to it; there is a loud, unpleasant noise, but the reddish/blue thing is beautiful to look at. There is something dark immediately next to something light; something cold yet warm; and there is something jagged yet smooth. It is

very confusing to understand. It makes me think that I am looking at the object through dirty, or broken glass and am unable to see the entire picture.

There is also a long, narrow, rectangular shape. Something about the angle makes me think of a woman in a long white gown, holding something up high over her left shoulder. Her hair is light in color and she is wearing it pinned up.

The page contains several handwritten marks. At the top left, the word "Target" is written in cursive and crossed out with a horizontal line. Below it, the word "Bright" is written in cursive. To the right of "Bright" are several large, dark, overlapping scribbles that appear to be made with a marker or thick pen. At the bottom right, there are several thin, curved lines that resemble a stylized signature or a set of decorative flourishes.
