SUMMARY OF INFORMATION

The release of USMC LTC William (Rich) Higgins is imminent, a question of days. An opportunity to intercept a vehicle (truck) may very well materialize and allow for the release of Higgins. In any case, he will be released soon (early July). "Difficult negotiations" are ongoing for the release of the other hostages (located in the military barracks surrounded by Syrian forces) and their release is near, a matter of days. The "crazy Shiites" are the ones making the negotiations difficult. (LA will owe FG a quarter).
