SUMMARY

FOLLOWING DATA OBTAINED DURING WRV SESSION OF 10 MAY 88 CONDUCTED AGAINST PROJECT 8807

USMC LTC William (Rich) Higgins will be released from captivity before June 1988. Cordes, German national (previously indicated as being released in June 1988), will be released through negotiations with the West German government. Terry Waite will also be released, mainly on the strength of his own efforts. Note the possibility that LTC Higgins could also be released at an earlier date as a result of the conflict among Shiites (in southern portion of Beirut). Mother nature (somehow) has a hand in this (release of Higgins).
