1. (S/NF/SK) Tasking: Original tasking data sheets attached. No change in tasking.
2. (S/NF/SK) Session: Monitor intent was to devote session to Area #3, first to fifth story of the building. This was not a productive session. Source was allowed to "explore" schematic diagram of site, prior to start of session. Session began in S4.
3. (S/NF/SK) Summary: A large complex within "commuting distance" from a large city. There is a "militaristic" feel to the site, but people here are not in military uniforms. Area #3 is generally concerned with administration functions. On the 5th floor is located what seems to be a records storage area. In this area are large numbers of personnel records.
4. (S/NF/SK) Feedback: Source was informed that this site would be worked again.
