SG1J

MEMORANDUM FOR: 

FROM: SG1I 

Director of Research and Development, DS&T

SUBJECT: Star Gate - Proposed Release of DIA Material

REFERENCE: Memorandum of 10 May 1995

1. Thank you for your response to CIA's request concerning the declassification of DIA files relating to Star Gate. We now have the American Institutes of Research (AIR) under contract to perform the technical analysis of the program files mandated by the Congressionally Directed Action (CDA). Since your referenced memo specifically states that "DIA has no objection to a declassification of the 'fact of' a DIA program to employ paranormal phenomena for intelligence purposes," we hereby officially notify you that we wish to release recently declassified DIA documents to AIR for the blue ribbon panel review which indicate DIA's support of program activity in this area. You requested in your memo that we notify you two weeks in advance so that you can contact your Public Affairs Office. The release will take place two weeks from today. Again, thank you for your cooperation.
