Reference: ORD Letter dated 1 June 1995, "Proposed
Declassification of SRI's Association with
CIA: Remote Viewing Investigations"

SG1I

Dear 

The purpose of this letter is to confirm our conversation earlier this week on the referenced subject. As we discussed, SRI has no objection to the declassification of the association between the CIA and SRI, or to the declassification of the identity of the investigators involved in the research. If at all possible, we would appreciate an opportunity to review the material which is being declassified so that we are aware of the full range of materials which will be made public. If this is possible, please let me know.

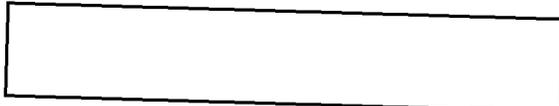

Again, thank you for the opportunity to comment on this declassification. If you need any further information, please let me know. My telephone is 415/859-4328 and my fax is 415/859-6171.

Sincerely,

Barbara E. Camph
