DD Form 254 (Continued)

- (4) Certification of clearance investigation and clearance, date clearance granted, and name of agency granting clearance.
- c. Final classification of the information generated under this Contract is the responsibility of DIA (DT-1A). Information generated under this Contract is subject to the guidelines contained in DoD Regulation 5200.1R, dated 2 November 1978, which implements EO 12065 which became effective 1 December 1978. Technical reports classified as high as TOP SECRET SI/SAO will be provided the Contractor by DIA and other DoD activities, and other DoD contractors for use in connection with this Contract. These reports may be retained for the duration of this Contract unless no longer needed. Upon termination of this Contract, the reports shall be returned to the sender (if required) or destroyed in accordance with current security regulations. If these documents are to be retained beyond the ending date of this Contract, written justification must be forwarded to and authorization given by the Contracting Officer.
- e. All copies of final documents generated by the Contractor under this Contract will be transmitted to DIA (DT-1A) for dissemination to the Grill Flame Committee. No other distribution is authorized.
 - f. Use of the ARFCOS system is required.
