1. Admin details in subject say that you are the PAG "stuckee".

-- OC's perspective: STARGATE qualifies for reporting.

-- For FY 1994, STARGATE is authorized 9 U.S. civ positions; no other expenses were budgeted for. (Actual fill (face) data should be readily available from PC's manpower folks.)

-- DIA budgeted for no external contracts for this activity for FY 1994. What I don't know is what, if any, of PC's other contract work would fall under the OSD reporting requirements. The Congressional Approp add of \$2m for "scalar waves" (what ever it is) immediately comes to mind.

2. OC considers its collab tasking satisfied with this Hignote.

-- If you need something else, pls call.
